

ENFORCE SPEED LIMITS NOW!

This petition is necessary because *speeding* in Rox Park is out of control.

- **Demands:**
 - Create a revised speed limit enforcement policy that measurably reduces speeding
 - Make the policy revenue-neutral, firm, and fair; publish it to the NABR site
 - Provide thorough 'pre-enforcement' messaging to educate, prepare, and motivate drivers
 - Utilize photo radar, fines, traffic hearings, and post 'fines paid' to the general ledger
- **Every Day:**
 - Approximately 2,500 - 3,000 vehicles enter & exit the Park ¹
 - 500 to 1,000 vehicles (20% to 33% of the total) speed at 35+ mph (fineable speed)
- **Speed facts:**
 - Our speeding fines (\$70, \$135, and \$200) match those of the state and Douglas County ²
 - Over 3 years, only a handful of speeding fines were paid ³; zero traffic hearings were held ⁴
 - Speeding creates nuisance noise and seriously diminishes quality of life for residents
 - Speeding suppresses property values and inhibits residents' ability to enjoy their property ⁵
 - Speeding endangers other drivers, cyclists, pedestrians, and wildlife
- **Legal Risk:**
 - Non-enforcement of Traffic Rules may be a breach of fiduciary duty by directors and officers
